

WIN a £200 shopping spree at SUNUVA and £100 for your school

Simply ask your child to design their own rash vest using the template above (we recommend using felt tip pens). Take a photo of their creation and then visit <https://www.sunuva.com/competition> to enter the competition and upload the photo of their rash vest. Please note you must be a registered member on School Notices to enter your child's design.
